

# **2nd Grade RBBA Baseball Team forming**

**The season starts April 10th, and runs through June. Games will be played once a week on Sundays, with one or two games on Friday evenings. Practices will be on Saturdays, starting in late March, with access to pitching machines for an hour and a half.**

**The team will be coached by Brian & Rich Frick. Rich has over 30 years of coaching experience, so this should be a great opportunity for the boys to learn a lot about baseball while having fun!**

**Please contact Brian Frick if you're interested by February 5th, so we can get the team formed.**

**240-751-7242**
