

St. Elizabeth Preschool Enrichment Programs 2011-2012

Science and Art

When: Tuesdays, 8:45-12:15

Cost: \$100.00 per month

Science Adventures - A unique hands-on science experience for children that is as entertaining as it is educational. Join Science Adventures for weekly experiments and exploration designed for younger scientists while having loads of fun.

Little Picassos - Inspire your Child's imagination, inventiveness, confidence and self-expression through paintings, drawings and hands-on art activities. Join us and learn through the power of Art.

Music and Fitness

When: Thursdays, 8:45-12:15

Cost: \$100.00 per month

Shake Rattle and Roll - This is a fun and energetic class where students learn about music through songs, stories, movement and hands on experience with instruments. Your child will foster their social, emotional, physical and language skills through fun music and dance.

Fitness and Fun - An exciting period where children will develop confidence, balance, flexibility and object control through games, sports, movement and fun. An exciting, energetic atmosphere for all.

For both Enrichment programs Munch Bunch is included for free if your child would like to stay from 11:15-12:15 to eat and socialize with their friends.

All preschool children (3's and 4's) are eligible to register for enrichment classes.
