## What is Scouting?

Scouting is learning by discovery and discovery by doing. It's fun, friends, and family. It's a place where skills are learned, confidence is built, and stories are born. It's about learning to work together, serving the community and understanding what it means to be a leader. That's The Boy Scouts of America. It's a place for your son unlike any other. You might call it life-changing. He'll just call it fun.

**Learn. Give. Succeed.  
This is Scouting!**

**Sign up now and participate in our camps that include:  
Day Camps, Overnight Camps, Hiking, Fishing, Archery,  
BBs, Sports and Games, Nature Studies, Swimming,  
Handicrafts and so much more!!!**
