Do we add sales tax?

No, on catalog and Entertainment Book orders, we are sales tax free! Online orders ARE subject to sales tax.

Will the Sally Foster orders be delivered to the school?

No, the orders will ship directly to the purchasers home. Extra Entertainment Book orders will be distributed at the school.

How much is shipping?

There will be a flat shipping fee of \$3.95 for all orders under \$50.

When will I get my order?

If an order contains chocolate, the ENTIRE order will ship AFTER November 15. All other orders will ship late October. If you want to get your non-chocolate items faster, you can place two orders.

Is the Entertainment Book that my child brought home free?

NO! The book is to be used to show potential purchasers the MANY coupons in the book. If you don't want to purchase it, please return it to the school.

How do I order more Entertainment Books?

In the packet your child received on the first day, there was an envelope with green print on it. This needs to be turned in on September 16 WITH PAYMENT for the book given and the additional books requested. Please keep the log of WHO purchased books - we only need to know how many additional books you need.

My neighbors LOVE the Entertainment Coupon book. When can I get them their copies?

Complete the sale form that was included in your child's package, send payment and the books will be delivered within 2 weeks after the sale.

My in-laws who live in Wisconsin want to purchase an Entertainment Book. Is there one for their area and how do they get that?

Send an email via the Seller Section of www.SallyFoster.com and your in-laws can order a book for their area and your child and the school will receive credit. The book will ship for FREE! Please be aware that the price for the book for a different area may be more or less than the \$30 for our area book.

I want to send relatives emails regarding both Sally Foster and the coupon book. How?

When you register your child online using the Seller Section of www.SallyFoster.com you can send emails regarding Sally Foster and Entertainment Books. Unfortunately, you will need to send two emails - one for Sally Foster and one for the Entertainment Coupon Book. The good news is that your child and the school will receive credit for their purchase!

I'm having trouble logging in to the Seller Section to send emails to our family.
