

# *St. Martin of Tours Catholic Church*

## **The Pantry**

St. Martin's Pantry has served the outreach community of the Gaithersburg area since 1992.

The Pantry's aim is to assist the working poor, which includes men, women and children, senior citizens on limited incomes and the homeless who are being transitioned into housing. The food provided is intended to supplement what families can provide for themselves with or without public assistance.

From July 2010 to May 2011 the pantry has served an average of 190 families each week. The clients are diverse in ethnicity and age. They are the working poor and newcomers to this country. They include men, women and children, the elderly and people from all faiths and nationalities.

The items listed below may be dropped off by your child to the outreach container in their homeroom at school from now until November 17, 2011. All collected items will then be delivered by third grade parents to St. Martin's on November 18, 2011.
