

ST. ELIZABETH CATHOLIC SCHOOL

ACCREDITED BY MIDDLE STATES ASSOCIATION OF COLLEGES AND SCHOOLS

September 1, 2011

Dear St. Elizabeth School Parents and Guardians:

I am writing to ask for your cooperation in completing the Archdiocese of Washington's Family Survey for each student that will help us secure maximum federal and state educational services for the children in our Catholic schools. Please complete the information on the attached Family Survey and return the form to the school office, attention Mrs. Woo. The information requested on the form will remain confidential, and must be provided to our school office no later than **Friday, September 9, 2011**.

Providing us with the information requested on the enclosed form will help us increase the educational and technology services we are able to provide to our children, such as reading programs and summer school. Your tax dollars are paying for these programs, please help us keep them.

Additionally, many foundations and grants, who are potential benefactors to our school, require an overview of our school needs as a part of applying to their programs. This data directly impacts the amount of funding we receive.

Thank you so much for your support and cooperation.

Sincerely,

Vincent Spadoni
Principal
