

# SANTA'S WORKSHOP IS HERE!!

December 6-8, 2011

Santa's Workshop will be held December 6th - 8th at St. Elizabeth School during the school day. The workshop is a temporary store which gives the children a chance to select and buy gifts for their family members. There will be a variety of items, all of which are in the \$1.00 to \$7.00 range. The gifts include toys, Christmas decorations and collectibles. We buy items throughout the school year at a discount so that the children pay less than what they would in a store. Purchased items will be gift wrapped for the children to bring home.

The class shopping schedule is included below. Your children will be reminded of their shopping day and time by their teacher. We ask that you review with your child who they would like buy for and how much they can spend. On their assigned day, please send in cash or check written to St. Elizabeth School. If you provide an envelope with your cash or check, your child can return it to you with any change. Santa's Workshop does not charge sales tax.

Each class will be given approximately 30 minutes in which to shop. There will be parent volunteers to help the children make decisions and wrap their gifts. As you might imagine, the children really enjoy shopping in a festive and friendly atmosphere and putting gifts they have hand selected and bought under the Christmas tree. If you have any questions, please contact Lisa Bonato. Please also send your child with a plastic or canvas grocery bag to bring his or her wrapped gifts home. We look forward to seeing your child at Santa's Workshop! Thank you.
