Camp Half-Blood with Mr. Robertson

Become a part of the story...

Dear Campers,

If you're reading this, I'm really sorry. It means you've found out you are half-bloods, and now you're in for a world of trouble. I'd like to tell you things will get better now that you've made your way to our branch camp in Rockville. But the truth is you've still got a lot of dangerous work ahead of you. Train hard. Watch your back. And learn to cooperate with your cabin mates. Your life now depends on it. Monsters are everywhere. The gods are watching, and some of them won't be on your side!

I know Grover will take good care of you. He's a pretty cool satyr. (Just keep your hands, feet, and soda cans away from his mouth). Good luck! I hope you survive the camp. If you do, maybe I'll see you around next summer.

Peace from Manhattan,
Percy Jackson

Demigods will choose a cabin, learn more about Greek, Norse, Egyptian, and Celtic mythology, act out scenes from the books, and create Camp Half-Blood mementos of their summer with the gods.
